Continuation Sheet (PTOL-303) 009/932,381

Application No.

Continuation of 2. NOTE: Applicant's amendment to claim 21 does not merely incorporate the limitations of previously pending claim 1 into claim 21. The steps of the claim have been reorder d in a manner that changes the scope of the claim, and the step of "responsive a data value..." is a newly added limitation. This limitation is also unclear under 35 USC 112, second paragraph.

Continuation of 5. does NOT place the application in condition for allowance because: with respect to claim 22 and the rejection of the claim under 35 USC 112, first paragraph, contrary to Applicant's remarks, there does not appear to be any support in the cited paragraphs for the step of "restarting".
